

BOARD *for* CERTIFICATION
of NUTRITION SPECIALISTSSM

Dear Supervisor:

On behalf of the BCNS Board of Directors, I would like to thank you for becoming a CNS supervisor. Your role is crucial to the successful career of a CNS candidate, and the broader nutrition profession.

In order to make the experience you supervise the most meaningful for both you and the CNS candidate, we ask that you review the [CNS Supervised Practice Experience Handbook](#). All of the information and documents you and your candidate will need can be found in this manual.

We also encourage you to review the following sections in our [CNS Handbook](#): *About the BCNS* and *CNS Eligibility Requirements*. You will find additional information about the CNS credential on our website, NutritionSpecialists.org.

If after reviewing these materials you have further questions, please do not hesitate to contact the BCNS office at Office@NutritionSpecialists.org or (708) 223-7927.

Please let us know if there is anything we can do to assist you as you go through this process.

In health,

Ginger Downey, MS, CNS
Executive Administrator
