PHYSICIAN HOTLINE

We believe in empowering you! Phone based physicians have been proven to be fast and efficient for most illnesses. Through our partnership, diagnosing, advice and even prescriptions can be obtained with just a phone call!

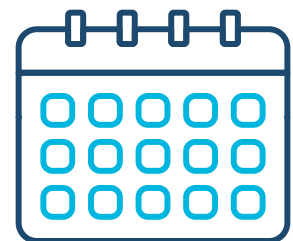

OPEN NETWORK

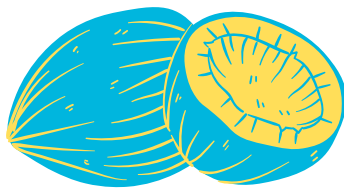

As a further testament to empowering you, the consumer, NOVA Pathfinder utilizes an open network. Choose who and where you want to receive treatment!

ENROLL 365 DAYS A YEAR

No worries about marketplaces, deadlines or enrollment periods. Switch today!

PROACTIVE MEDICINE

Using food and preventative measures for Health can help you to avoid having a Health problem in the first place. NOVA incentivizes you in doing this by lowering your deductible as you proactively seek Health.

INDIVIDUAL ADVOCATE

Every person on a NOVA plan is assigned a direct Care Advocate. This Advocate is your first touch to understand the plan, to navigate it and to get the most out of your insurance. No need to be confused, you have an expert in your corner.
